

The Flyer Connect app  is currently only available in US app stores.

For **international access/setup**, please see 2 options below:

1. Follow the instructions for “Downloading Flyer outside of the U.S.” to access the “Flyer School” app for free. The directions can be found at <https://flyer-connect.helpscoutdocs.com/article/160-downloading-flyer-outside-of-the-u-s>
2. Utilize a personal virtual private network service provider like NordVPN or ExpressVPN to access the “Flyer School” app. The personal VPN simulates being in the USA. There is typically a fee for a VPN service. Once VPN is active, follow instructions below to setup your *Montessori Forward* app correctly.

## Changing The Way We Communicate

Download the “Flyer School” app and add Montessori Forward

### Messaging

Get all messages from our community in one place!

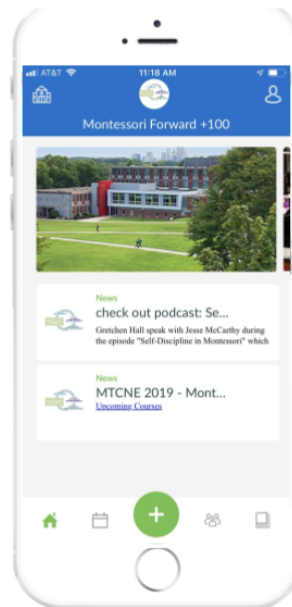

### Calendar

Stay updated on all community events.

### Resources

With the app you’ll have access to essential community resources, which include the Montessori Memo, program information, community events, learning tools, and more!

#### Follow these steps to setup your app correctly:

1. Search “Flyer School” in the Apple or Google play store or visit <https://www.flyerconnect.org/app>
2. Once you’ve installed the Flyer School app push the “+” button and search for **Montessori Forward** and select “add”.
3. Tap the Language Button on the Bottom Left of the screen to select preferred language.
4. Tap **Montessori Forward** to view Community Content
