

Downloading Flyer outside of the U.S.

Flyer Connect is only available in the U.S. app store. If you're based internationally, in order to download Flyer you'll need to create a new Apple ID and change the settings in your device's operating system and in the app store to download the app.

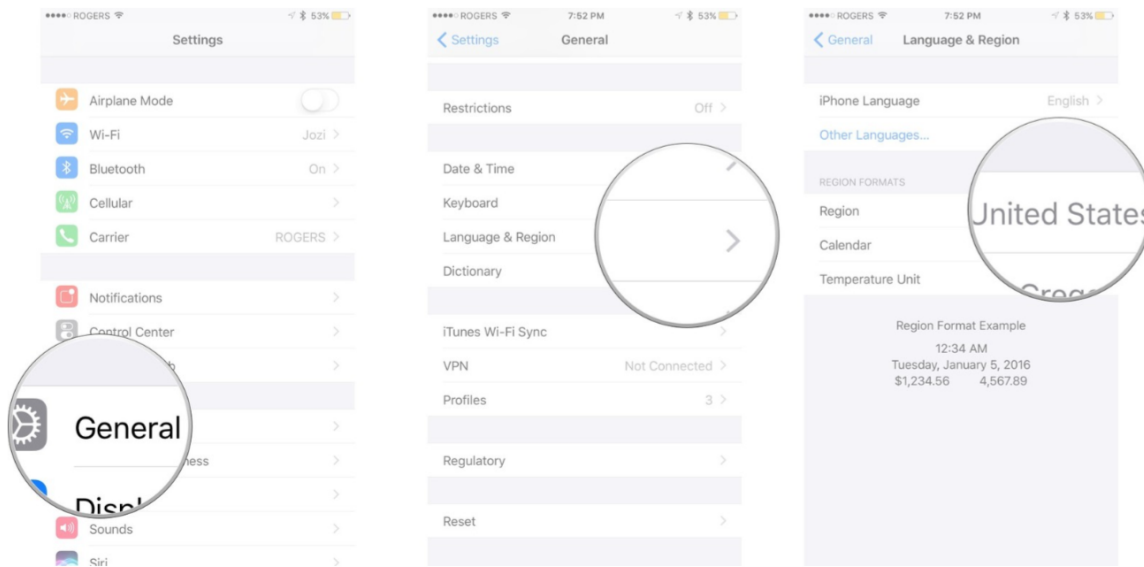

First you need to log out of your local App Store:

1. Launch App Store from your Home screen.
2. Tap on Apple ID: [your current email] at the very bottom.
3. Tap on Sign Out.

Next you need to change the region on your iPhone or iPad:

1. Launch Settings from your Home screen.
2. Tap on General.
3. Tap on Language & Region near the bottom.
4. Tap on Region
5. Check off United States.

Now you need to create the new account in the U.S. Store:

1. Search 'Flyer School' in the app store.
2. (Tap Change Store if it stays stuck on your old region and says the item isn't available in the current store.)
3. Tap Get.
4. Tap Install.
5. Tap Create New Apple ID.
6. Check United States if it isn't already checked.
7. Fill out the required information.
8. Tap None for billing information. Flyer Schools is free, and you can always buy U.S. iTunes gift cards later if you want to purchase other content from the store.
9. Launch Mail to verify the email address you used for the U.S. account.

Finally, download Flyer School:

1. Search 'Flyer School' in the app store.
2. Tap Get.
3. Tap Install.
4. Login to your new U.S. iTunes Account if you aren't already logged in.
5. Repeat the Get and Install steps if you have to.
