

Eastern Suburbs Montessori at Glendowie School

The Role

We are seeking an experienced Montessori teacher that can teach in either a 6 - 9 or 9 - 12 class. In this role, you will be part of a team of enthusiastic and dedicated Montessori teachers. You will assist our team in delivering the Montessori Curriculum through the lens of both the New Zealand and International Baccalaureate Curriculums in a Montessori environment within a state setting. This includes fostering a strong sense of community and celebrating our individuality within the wider community.

We seek a teacher who is a collaborative and supportive team player; an excellent practitioner and a caring professional. We would welcome applicants who will embrace our learning culture that includes Montessori philosophy and practice within an International Baccalaureate (IB) accredited State Primary School. Montessori 6 - 12 training is necessary. Experience in the IB Primary Years Programme (PYP) is not essential as professional development and support around learning the PYP programme will be given.

Requirements

To apply for this position you must:

- have a recognised teaching qualification,
- have Montessori 6-12 training,
- be an experienced, visionary Montessori teacher,
- possess enthusiasm, passion and exceptional people skills, and work well as part of a team,
- enjoy a dynamic, challenging role where flexibility is a necessity.

Condition of employment will be that the applicant has NZ teacher registration before commencing the position and have a relevant valid work visa or NZ residency. Commencement for this position is negotiable for 2024. We also welcome expressions of interest from suitable candidates whose current commitments may not allow for an application currently, but who would like to join our community of interested parties for future opportunities.

The Environment

Our school comprises one 6-9 space and one 9-12 space. We are integrated into a state primary school, conveniently located on the shores of Auckland's Eastern Suburbs. This is a unique opportunity to work surrounded by sea views and lush green nature reserves. In this setting you can take advantage of new state-of-the-art resources including a well resourced library, Digital Technology and beautifully managed outdoor and sports spaces.
