

# Montessori In Town

## **A.M.I. Primary Guide Position**

### **Montessori In Town**

**1192 Arkwright Place, SE**

**Atlanta, GA 30317**

**March 16, 2023**

Our Montessori school community was established in 2005. Over the years, with two moves behind us, we find ourselves located in a vibrant and diverse inner city neighborhood and thankfully our school is in high demand.

Our staff is held in high regard and therefore, we have a lot of longevity within our school. A Primary Guide who has been with us for many years is retiring. We are seeking a replacement to take over this established classroom. We are grateful that the retiring Guide is willing to mentor the incoming graduate. This is the perfect opportunity for a passionate Montessori Guide to join a welcoming and caring community.

Our ideal candidate will have:

- An AMI Montessori diploma for ages 3-6, bachelor's degree preferred
- Several years of experience working with children
- A passion for working with this age group
- Excellent communication skills
- Ability to engage openly and enthusiastically with fellow team members and parents

Start July 30th, 2023

Compensation is based on experience.

Please email resume and cover letter to Head of School, Augusta McDonald:
